CASTING PROCEDURES

Questions and concerns are almost always raised pertaining to the audition and casting process as well as the rehearsal commitment. This information will hopefully address your questions.

The Audition and Casting Procedure for “Broadway Concert Series”

Prepare 32 bars of two contrasting songs. You may use background tracks or sing acapella. No vocals on the music track. We want to hear you.

The Call Back

You will be asked to sing from the musical score and taught a small part of one of the dance numbers from the show. Wear comfortable clothes and wear jazz or character shoes or sneakers.

There is No Favoritism or Pre-Casting Involved.

We do not believe in pre-casting! We cast based solely on the audition and who auditions best for a particular role.

The Rehearsal Commitment

We spend a lot of time preparing the rehearsal schedule. Please understand that many factors can alter it, sicknesses, emergencies, and situations when additional rehearsal time is needed. We will try our best to adhere to the schedule, but please understand that on occasion some flexibility may be required.

Actors must be available for tech week in order to be cast.
